

## Performance Standards

---

Templeton Fire Department

**TOPIC:** STRUCTURE FIRE INTERIOR ATTACK (3 PERSON)

**TIME FRAME:** 3:00

**LEVEL OF COMPLEXITY:** Level 3

**BEHAVIORAL OBJECTIVE:**

**Condition:** Given a 3 person engine company, a structure equipped fire engine, and full structural PPE including tool

**Behavior:** The engine company will complete a simulated interior fire attack

**Standard:** 100% accuracy within 3 minutes

**PERFORMANCE:**

**Time will start when the Maxi is set:**

**Captain:**

- Perform a Size Up
- Transmit a Report on Conditions
- Dismount engine and Don SCBA (mask not in place),
- Obtain TIC and perform 360 walk around
- Join firefighter at the entry point
- Don SCBA masks
- Perform equipment safety check on firefighter
- Transmit updated report
- Pass command
- Go on air and make entry

**Engineer:**

- Spot apparatus
- Set air brakes and chock wheels
- Places pump in gear and exit the engine
- Check to ensure tank fill is open
- Assist the firefighter in clearing the hosebed
- Charge crosslay (200' 1 3/4" DJ @ 125 GPM)
- Deploy crosslay for back up line

*Performance standards are designed to assure that all fire personnel are capable of completing the duties assigned to their respective position. All personnel should remember that while engaging in firefighting operations, the order and/or priority of some tasks may be changed by the company officer.*

## Performance Standards

---

Templeton Fire Department

### Firefighter:

- Dismount apparatus with SCBA (mask not in place)
- Deploy crosslay to predetermined entry point
- Call for water and remove kinks in the hoseline
- Flush nozzle and adjust pattern
- Don SCBA masks
- Complete a safety check
- Go on air and make entry

**Time stops when Captain and Firefighter make entry into the doorway**

### NOTES:

\*\*\*Automatic Fail\*\*\*

- If any participant cannot complete their given tasks
- If the Engine Company cannot complete the standard within the given time

*Performance standards are designed to assure that all fire personnel are capable of completing the duties assigned to their respective position. All personnel should remember that while engaging in firefighting operations, the order and/or priority of some tasks may be changed by the company officer.*
