The intent of the Templeton Fire Department Civilian "Ride Along" Program is to provide an opportunity for individuals to accompany TFD personnel to observe them in the performance of their duties.

The rider is aware that such duties may create a hazard to the rider and/or to the firefighters.

The Fire Department agrees to permit the rider to "Ride-Along" with Templeton Fire Department personnel on the following date(s): _____, _____.

The rider agrees to the following:

In consideration for the privileges of accompanying a crew, I do hereby hold harmless, release and discharge the District from all claims, present and future, known or unknown, in any manner arising out of my participation in the Ride-Along Program. I specifically waive any and all rights I have or may have in the future under the California and/or Federal Tort Claims Act or any other statute.

I agree to comply fully with any directives, orders, or requests from Fire Department personnel during the Ride-Along Program.

I agree to strictly observe the confidentiality of Department and patient records. Any breach of confidentiality will result in the termination of privileges and may result in legal action against me.

I have read and understood this release agreement and all of its terms. I have executed it voluntarily and with full knowledge of its significance.

I understand that riding along with Templeton Fire Department personnel may expose me to risks such as hazardous material, infectious diseases, traumatic situations, etc.
