

# Join the movement & give back to Templeton Fire & Emergency Services

## #GivingTuesday

(Give Tuesday, November 28<sup>th</sup> through  
December 31<sup>st</sup>)

**At the core of a thriving community...is a safe community.**

We hope you enjoyed a wonderful Thanksgiving with your family and friends. As we swing into the 2017 holiday season, the Templeton Fire & Emergency Services has much to be thankful for. First and foremost are our families who understand and support our efforts and all that our work entails. It's because of the continuing support of residents, businesses and our local officials that we are able to procure equipment, train, and most importantly respond when members of our community are in need of fire and emergency medical services.

Your Fire Department is financially struggling to keep up with the growth and needs of the community. We are in the process of developing funding options and have reached out to the County for assistance. However, money is needed **now** to maintain the high level of service that the community expects and deserves.

Today on #GivingTuesday, we ask that if you have not already done so this year and if you can, to please consider supporting the Templeton Fire and Emergency Services Department. Your **tax deductible donation** may be made today through December 31<sup>st</sup>. Checks may be made payable to: Templeton Fire & Emergency Services and sent to P.O. Box 780, Templeton, CA 93465 or dropped off at 420 Crocker Street (Monday-Friday) from 8 a.m. to 5 p.m.
